

March 2019 Newsletter

Jeremy Mahrt was voted in as new Trustee on the Board at the March meeting. Welcome Jeremy, we know you will be a great asset!

This is being sent with high hopes that the snow and ice is behind us and warm weather is around the corner! With that being said, reminder that our first work day is set for Saturday, March 30. Please sign in by 9am at the clubhouse. Lunch will be provided. After working a full day, member will receive a \$50 voucher to use toward their 2020 membership.

One voucher per membership. Rain date will be Sunday, March 3. You will be able to start getting your 4 wheelers checked at the first workday. Please see Star Norton at campsite #61. You need to pass noise decibel test and show proof of insurance in order to receive 2019 Sticker.

We are still looking for someone to do the drinking water and lake water testing. If interested and able to complete this for the 2019 season, member will receive \$50 voucher for 2020. Please get in contact with a Board Member if you have questions.

We are also still in need for Leads and Helpers for the Activity and Shower committee. Susie could use some help with Kitchen and Justin could use some help with Utilities/Maintenance-please check with one of them if interested. Thank you to those who have already volunteered to be on a committee.

The water to the campground will be turned on March 30. We are expecting some leaks but hopefully won't have many. Please let Justin know if you notice any issues.

Please be mindful of the grounds and not to drive in the grass when it is soft, we don't want unnecessary ruts.

Fish have been ordered and tentatively set up for delivery on May 10th, we will keep you posted on this. Any and all help is much appreciated.

The deadline for membership renewal has now passed, if a 2018 member has not turned in a 2019 application and Social Fee, they will now have to attend a meeting with a sponsor before being considered a 2019 member.

The Hunting committee has set the following dates/times for their meetings, all current Hunters and Waiting List Hunters need to attend one of these meetings: May 11 at 6pm, July 12 at 6pm, and September 8 at 6pm.

The campground meetings will go back to being held at the clubhouse starting in April, on the 2nd Saturday at 9am. All welcome and encouraged to come!

Spring is nearly here!! April showers brings May flowers!!
