A meal will be provided by Kitchen committee, side dishes or deserts welcomed. On Friday, April 16 the Grounds committee is planned to cut down/trim some trees as long as weather permits and the grounds are solid enough, please avoid being in the areas that they are working in to prevent any possible injuries/accidents.

**Hunting** 2021 Meetings set for the following dates: May 8 at 5pm, July 10 at 5pm and September 5 at 5pm. All current and active hunters must attend one of these meetings to remain on list. Meetings will be held at the campstore.

**Fish** are ordered and scheduled for delivery on Friday, May 14 after 12 noon sometime. They need lots of help with this and it is a fun time for all so please plan to join if able. Fishing will be shut down for 2 weeks immediately after stocking.

With all the wet weather we have had, we ask that all avoid driving on the soft areas of the campground, please **stay on the roads as much as possible**.

The water has been turned on to the campground, please watch for and report any leaks of campground water pipes.

It is now time for all camping members to **get your lots cleaned up**, this includes all around your camper and lot, not just the front of it. Opening weekend is coming soon and will be open to friends and family. There will be a form to sign and a \$10 fee for them to ride atvs/utvs which will go toward their membership, if they decide to join. Place reservations with a Board Member for camper rental areas and tent spots with electricity soon as they are on a first come, first serve basis.

4H has reserved the Range for 2<sup>nd</sup> Saturday of each month thru September from 2-4pm.

Please try to clean as much sand as possible off your feet/bodies prior to using shower facilities. This will prevent problems with the drains.
